5152.233-9000 Army Contracting Agency Executive Level Agency Protest Program (APR 2004)

(a) This solicitation is eligible for the HQ, Army Contracting Agency (ACA) Executive-Level Agency Protest (ELAP) program, as an alternative to the usual provisions applicable for Agency protests under FAR 33.103. An ELAP is a "PROTEST TO THE AGENCY," within the meaning of FAR 33.103. The ELAP Program is intended to encourage interested parties to seek resolution of their concerns within ACA, rather than filing a protest with the Government Accountability Office (GAO) or other external forum. After an interested party files an ELAP on an ACA procurement to HQ, ACA and while that protest is pending, the protester agrees not to file a protest with the GAO or other external forum. If a protest is filed with an external forum on the same solicitation as the ACA ELAP, the ACA, ELAP will be dismissed.

(b) An interested party may file a written protest to the Agency under the Executive-Level Agency Protest program for contract solicitations arising and performed within the continental United States. Such ELAPs are limited to objections to any of the following:

(1) A solicitation or other request by an agency for offers for a contract for the procurement of property or services.

(2) The cancellation of the solicitation or other request.

(3) An award or proposed award of the contract.

(4) A termination or cancellation of an award of the contract, if the written objection contains an allegation that the termination or cancellation is based in whole or in part on improprieties concerning the award of the contract.

(c) *Voluntary Automatic Stay.* This clause describes the circumstances under which the ACA voluntarily agrees to stay performance of a contract in consideration of a decision by an interested party to file an Army Contracting Agency (ACA) Executive Level Agency Protest (ELAP), as permitted by FAR 33.103(f)(4).

(1) In a standard post-award agency protest, the agency must not proceed with contract performance, pending resolution of the protest. This is known as an "automatic stay" and it mirrors the stay required under a timely post-award protest to the Government Accountability Office (GAO) under 31 U.S. Code 3553(c) and FAR 33.104(c) (a "Competition in Contracting Act (CICA) Stay"). However, if the agency determines that performance must proceed, based upon the criteria set forth in FAR 33.103(f)(1), the automatic stay may be overridden. This is known as an automatic stay "override."

(2) The CICA stay applies only if the GAO protest is filed within 10 days from notice of award, or within 5 days of a required debriefing. A firm may file an agency protest and, if it is dissatisfied with the agency's protest decision, may wish to file a follow-on GAO protest. Under normal circumstances, a protester that goes to the GAO after receiving an adverse agency decision will find that the GAO may take jurisdiction and actually render a recommendation, but that the CICA Stay no longer applies.

(3) The ACA voluntarily agrees to stay performance of a contract when an interested party files a timely protest under the ELAP Program. Should the interested party disagree with the ACA's resolution of an ELAP, it may utilize another protest forum without prejudice. The ELAP Voluntary Automatic Stay extends the protester's right to preserve the status quo pending resolution of all protests with respect to a particular contract action. In return for the protester's initially filing its protest as an ELAP instead of with the GAO, the contracting officer agrees that, if the protester ultimately disagrees with the ELAP decision and files a GAO protest, the agency will agree not to proceed with performance just as it would have done if the protester had filed its protest with the GAO right from the start. This means that in an ELAP, the agency may override the stay under the same standards and circumstances as would have applied if the protest had originally been filed with the GAO. Nothing in this clause adversely affects an interested party's rights to protest a contract action to the GAO, or to seek other relief related to the action.

(d) An Executive-Level Agency protest may be filed with the Contracting Officer designated in paragraph (g) of this clause for resolution of protests, or, with the ACA Chief Counsel at HQ, ACA at, 5109 Leesburg Pike, Suite 302, Falls Church, VA 22041-3201.

(e) For the purpose of filing an ELAP, an interested party means an actual or prospective bidder or offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract. The ACA Chief Counsel is the ELAP Protest Decision Authority.

(f) An ELAP must include the protester's name, address and telephone number, including fax number; the solicitation or contract number, identity of the contracting activity and the contracting officer's name; a detailed statement of all legal and factual grounds for protest (mere disagreement with the decisions of contracting officers does not constitute grounds for protest), including copies of all relevant documents; a request for a ruling; and, a request for relief. All protests must be signed by an authorized representative of the protester and must state it is an ACA Executive-Level Agency Protest.

(g) Executive-Level Agency Protests, as defined in FAR 33.101, may be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from

Army Contracting Agency, Pacific Region
Regional Contracting Office, Alaska
